### **DETAILED ACTION**

## Response to Amendment

1. Receipt of applicant's amendment filed 7/25/2005 is acknowledged.

# Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.
- 3. Claims 1-17 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by U.S. Patent No. 5,881,710 to Davis et al. ("Davis").

Davis discloses in Figures 1-12 the invention as described in applicant's claims 1-17. In particular, Davis shows an oven (10) having a main body (12) forming an oven compartment and a door (16). The door (16) includes an inner cover (48), a window (56 and 58), a window accommodating part in the form of an "L" shape section (see portions 46 or 82), and screws holding the portions together (see 136 and 134 and at least Fig. 12). The structure of the oven and door and the method of assembling an oven door (applicant's claims 12-17) are considered to be fully present and taught by Davis.

In regard to claims 1 and 13, as shown particularly in Figures 2, 11 and 12, the windows (56 or 58) are clearly contacting the periphery of the opening of the inner cover (48).

## Response to Arguments

4. Applicant's arguments filed 7/27/2005 have been fully considered but they are not persuasive. As noted above, the amendments to claims 1 and 13 relating to the arrangement of the window with respect to the inner cover do not distinguish applicant's claims over Davis.

### Conclusion

5. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
